# Our HISTORY

CODIVAL was created in 1975, at the initiative of local banks who wanted to secure the transport of funds on their growing networks.

# INTRODUCTION

## THE BEGINNINGS

The CODIVAL Company was incorporated in June 1975 at the request of the Professional Association of Banks of Côte d'Ivoire, with a capital of twenty-five million [25,000,000] FCFA, whose shareholders were:

- BRINKS FRANCE with 50%
- BIAO with 12.5%
- BICICI with 12.5%
- SGBCI with 12.5%
- SIB with 12.5%.

It started with a workforce of 26 employees hired between the months of May and June 1975, with a fleet of four [04] SAVIEM type SG4 and SG2 armored vehicles, and a single site, the Headquarters, located at 25 Rue des Sinners, in Treichville.

The first Chairman and CEO was Mr. R. KLEIN and its Director was Mr. JAUBERT.

From June 1976, CODIVAL had a workforce of 70 people and had twenty [20] armored vehicles of the same make. It had, outside the Center of Treichville, two [02] Branches in provinces located in Bouaké, opened respectively on July 2, 1975 and February 11, 1976

It increased its capital on November 22, 1976 from twenty-five million CFA francs to fifty million CFA francs with still the same distribution of capital among the five [05] shareholders.
